50th Anniversary Time Capsule Heir Search

It takes a village to raise a child... It is going to take a whole community to locate the heirs to the Time Capsules.

On July 19, 2009, Our Lady of the Rosary Church will celebrate the 50th Anniversary of the Dedication of our present church building at the 11:30 am mass. It is important that we include our original pioneers; whose hard work and dedication provided our worship space and further established a community (family) of believers who have held on to the structure, values and spirit entrusted to them.

During the month of June, 2009, Time-Capsule Heirs will have the opportunity to make an appointment to open and examine the contents of their family Time Capsule. Proper identification will be required. Additionally, family members will be able to add to the contents of their time capsule, which will not be opened again until the year 2059. You might want to consider placing family photos, addresses, important documents, etc. on a removable computer information storage stick to place in your capsule. Volumes of precious family history can be stored and saved for future generations. Now is the time to begin planning for your addition to your time capsule.

Attached are the names of the “Church of a Thousand Cornerstone Donors”; those men and women who gave up 5% of their annual salary to build a church, not just for themselves, but for you and your children. Some have been found... Some are lost... and some don't even know they are missing... And we need your **HELP** to locate the lost.

The small 50th Anniversary Committee has spend the last couple of months searching and looking for our original donors. As you can see, many have not been found! You can help the Committee by:

- Check your Christmas List for any of the members
- Ask you neighbors, friends, relatives, etc. if they have ideas about locating these relatives
- Check out zabasearch.com You might be able to track someone that you know through this internet tool.
- Make a couple of phone calls. Besides touching base with friends, you might locate a donor
- Spread the news about the July 19, 2009 11:30 am mass

Then, return the results of your search to the address below. Our goal is to include everyone! Please HELP!
